Eligibility

The Site and the Service are offered only to individuals who can form legally binding contracts under applicable law and, with respect to Payments made using checking or savings accounts, use bank accounts held at an FDIC or equivalent insured United States depository institution. Without limiting the foregoing, the Service is not offered to minors. Commercial entities, including without limitation commercial payment aggregators, may not use the Site or Service, with the exception that an authorized representative of a commercial entity who holds a Biller Account may use the Site or Service to initiate a Payment to such commercial entity's own Biller Account. By using the Service, you represent that you meet these requirements and that you agree to be bound by this Agreement.

You agree that the origination of debit card and/or ACH transactions to your checking or savings account(s) and your use of the Online Loan Payment Service must and will comply with the laws of the United States of America and any local, state, or international laws or regulations. You agree that you are using your identity, you are 18 years old or older, you are legally authorized to use the bank account(s) that you have entered in the service and any information you provide is accurate and complete. You have read and agreed to our Privacy Policy.

You agree to indemnify and hold us harmless for all costs and fees (including without limitation NSF fees) arising out of your violation of these terms and conditions.

Types of Payments through the Service

The Service is provided solely for the purpose of facilitating payments on your Loan through authorizing a Payment from your Funding Account to your Biller Account. Payments may be made through debit card or ACH transactions. The Service shall not be used for any other purpose.

Payment Authorization and Payment Remittance

You authorize us to follow the Payment Instructions received from you. When we receive a Payment Instruction from you, you authorize us to debit or charge your Funding Account for the amount of any Payment at the time you initiate the Payment Instruction, and to remit funds on your behalf.

You also authorize us to credit your Funding Account, in the event that any Payments are returned to us because the processing of the Payment Instruction could not be completed. In order to process Payments more efficiently and effectively, we may edit or alter payment data or data formats. You certify that any Funding Account you add to your profile or otherwise utilize in connection with the Service is an account from which you are authorized to make payments, and any Payment you make using the Service will debit/charge a Funding Account that you are legally authorized to use. We will use reasonable efforts to complete your Payments properly. However, we shall incur no liability if the Service is unable to complete any Payments initiated by you because of the existence of any one or more of the following circumstances or other reasons identified in this Agreement:

1. If your Funding Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
2. If our payment processing center is not working properly and you know or have been advised about the malfunction before you execute the transaction;
3. If you have not provided us with the correct Funding Account information, or other required information;
4. If circumstances beyond our control (such as, but not limited to, fire, flood, or other acts of God, third party systems, or interference from an outside force) prevent the proper execution of the transaction; and/ or
5. If you failed to follow our instructions for the use of the Service.

Provided none of the foregoing exceptions are applicable, if we cause an incorrect amount of funds to be removed from your Funding Account or cause funds from your Funding Account to be directed in a manner that does not comply with your Payment Instructions, we will be liable for your losses or damages; provided, however, that to the maximum extent permitted by law, our sole responsibility to you shall be to return the improperly transferred funds to your Funding Account or to direct any previously misdirected Payments to the Biller, Superior National Bank.

You are responsible for ensuring that there are sufficient funds available in your Funding Account to cover any amount you authorize for payment. If you do not have sufficient funds in your Funding Account, your Payment may not be processed.

In the event your Payment is not processed for any reason, including the failure to obtain an authorization from your financial institution, or you have not provided us with the correct information, your liability shall remain outstanding and unpaid, and you will be subject to all applicable penalties, late fees and interest charges assessed thereon, all of which obligations remain your sole responsibility.

Any fees associated with your Funding Account, including without limitation any assessed by your financial institution, will continue to apply. You are also responsible for any and all telephone access fees and/or Internet service fees that may be assessed by your telephone and/or Internet service provider in connection with your utilization of the Service.

If your Payment is received by us after the due date, regardless of any cause except for our failure to reasonably process your explicit payment instruction actually received by us, then you will remain responsible for any late charges and interest assessed, the same as if you mailed your payment to us and we received it after the due date. This would be true even if you are unable to access the system due to problems with the Internet, or our servers being temporarily unavailable. Therefore, we recommend that you instruct the Service to initiate each payment to us at least four (4) Business Days before the actual due date. If you use the Service to send us your payment instructions after 6:00 pm (ET) on a Business Day, then the Service will treat your instruction as if it were received on the following business day. It is the day we receive payment from you, and not the day we receive your instructions, which determines when your Payment was received.

As used in these Terms and Conditions, our "Business Days" are Monday through Friday, excluding federal banking holidays.

Payment Cancellation Requests

You may be permitted to cancel or edit a Payment via Online Loan Payment portal or calling in until 4:00 pm until such time as the processing of the Payment Instruction has begun (presently 6:00 pm (ET) on each Business Day, but such time may change in our discretion). If permitted, there is no charge for canceling or editing a Payment prior to the processing of the Payment Instruction.

Returned Payments

Superior National Bank reserves the right to return any Payment for any reason. In using the Service, you understand that Payments may be returned for various reasons, such as, but not limited to, the Biller Account number is not valid; we are unable to locate your Biller Account; your Biller/loan account is in foreclosure; or your Biller/loan account is paid in full. We will use reasonable efforts to research and correct the returned payment or void the payment and credit your Funding Account. You may receive notification regarding any such returned payments. You may be assessed fees by your financial institution as the result of any returns or insufficient funds related to your Funding Account.

Payment Wallet

The Payment Wallet allows you to save your Funding Account information for use in making future Payments. If you elect to use Payment Wallet, the following terms apply:
